

SPOT FOR BUSINESS

SPOT devices deliver affordable, reliable, location-based tracking, messaging and life-saving S.O.S. technology to hundreds of thousands of users around the world 24/7.

SPOT TRACE[®]

TRACK ANYTHING. ANYTIME. ANYWHERE.[®]

SPOT Trace is a theft-alert tracking device that provides satellite GPS location services and movement alert monitoring, independent of cell towers, radio frequency and Wi-Fi.

SPOT offers easy model integration, standalone accessory sale for dealers, great CE margin with flexible terms and aggressive marketing promos.

DATA MANAGEMENT AND MAPPING SERVICES

Our Data Management and Mapping Services provide automated monitoring and management at a glance with near real-time updates giving you visibility into an entire operation. Maintain and sustain operational efficiencies while strengthening and automating internal processes for continued business growth with the use of SPOT My Globalstar or SPOT Mapping services.

- Live and Historical Tracking
- Reporting
- Live Alerts
- Geofencing
- Grouping
